## SIGNATURE SPEAKING TOPIC

### FROM SINKING TO STRENGTHENING

We fear stepping out of the boat, because we fear sinking. The boat is comfortable, but worry, fear, rejection, and every form of emotional bondage sits there with us. Only when we embrace a walk-on-water faith can we live transformed, victorious lives. When we relinquish our fears to the power, presence, and peace of Jesus Christ, we discover that moments of sinking become moments of strengthening.

#### Carolyn will empower women to:

- Diminish anxiety and enlarge their faith through an intimate walk with God.
- Replace the deceptions of our emotions with God's timeless truth
- Exchange a defeated life for the abundant life with eyes locked on Jesus.
